Cape Fear Blue Marlin Billfish Release Affidavit

We the undersigned do hereby swear and attest to the authenticity of the below described billfish release. We further swear and attest that the fish was (1) caught in full accordance with all rules of the individual tournament being fished; and (2) properly released in as good condition as possible without having been boated, harpooned, gaffed, shot, or otherwise injured other than what may have occurred during the fight on rod and reel and that the information contained hereon is true and correct. I understand that falsification of any information on this form will result in disqualification from this tournament.

Please Return to the Weigh Station

J-Hooks may be used with entirely artificial lures only. Circle hooks MUST be used on any natural bait or natural-artificial bait combination.
